

POLICY NO. 425

IDLE SERVICES

I. OBJECTIVE

To define and establish procedures for idle services.

II. PROVISIONS

1. Any service that has not been in use for twelve months shall be classified as an idle service.
2. PCRPPD shall attempt to contact owners of idle services to notify them that if they wish PCRPPD to maintain electric service to these services, they will be required to pay an annual minimum service charge. This service charge shall be the sum of the Customer Charge and the Demand Charge for each year the service remains idle, as per the rate schedule for service involved. If this service charge is not paid within thirty (30) days, PCRPPD may remove the service equipment.
3. Following removal of PCRPPD equipment, any future request for installation of service at the same location will be subject to applicable line extension and customer deposit policies.

This policy supersedes and cancels all "Idle Services" policies prior to this date.

III. RESPONSIBILITY

The General Manager shall be responsible for the administration of this policy.
