**Base Rate Includes:**

Base rate may include energy only, one lighting device, secondary wire and/or one pole. Installations requiring more construction will require a contribution in aid to construction for the additional facilities. Maintenance of District owned lights include typical wear and tear associated with the style of light installed. Damaged customer owned lights or facilities will be billed to the light owner for the damage.

**MINIMUM BILL:** The minimum bill shall be the full monthly rate as stated. There will be no partial month billing.

**TERMS OF PAYMENT:** Bills are due and payable upon receipt and delinquent upon date noted on the bill. Late payment penalties will be applied per District policy to all delinquent accounts after the due date.

**LEASE PAYMENT/GROSS REVENUE TAX:**

Customers who are served from distribution facilities for which the District has a Lease Payment (LP) and/or a Gross Revenue Tax (GRT) obligation will be subject to the appropriate additional charges. Device rental charges are exempt from GRT and LP charges.

**TERMS AND CONDITIONS:**

1. Service will be furnished under the District's General Terms and Conditions as provided in contracts for service under this schedule.
2. Extensions made for service under this schedule if not otherwise noted in the rate are subject to the provisions of the District Line Extension Policy #BP-CR-01.

The District reserves the right to modify this Rate Schedule to reflect wholesale power rate adjustments and other changes in costs to the District after giving notice to the customers.
